# 1 Home page and login to NET Genium

## 1.1 Personal computer

### 1.1.1 Before logging in

### 1.1.2 After logging in to administrator mode

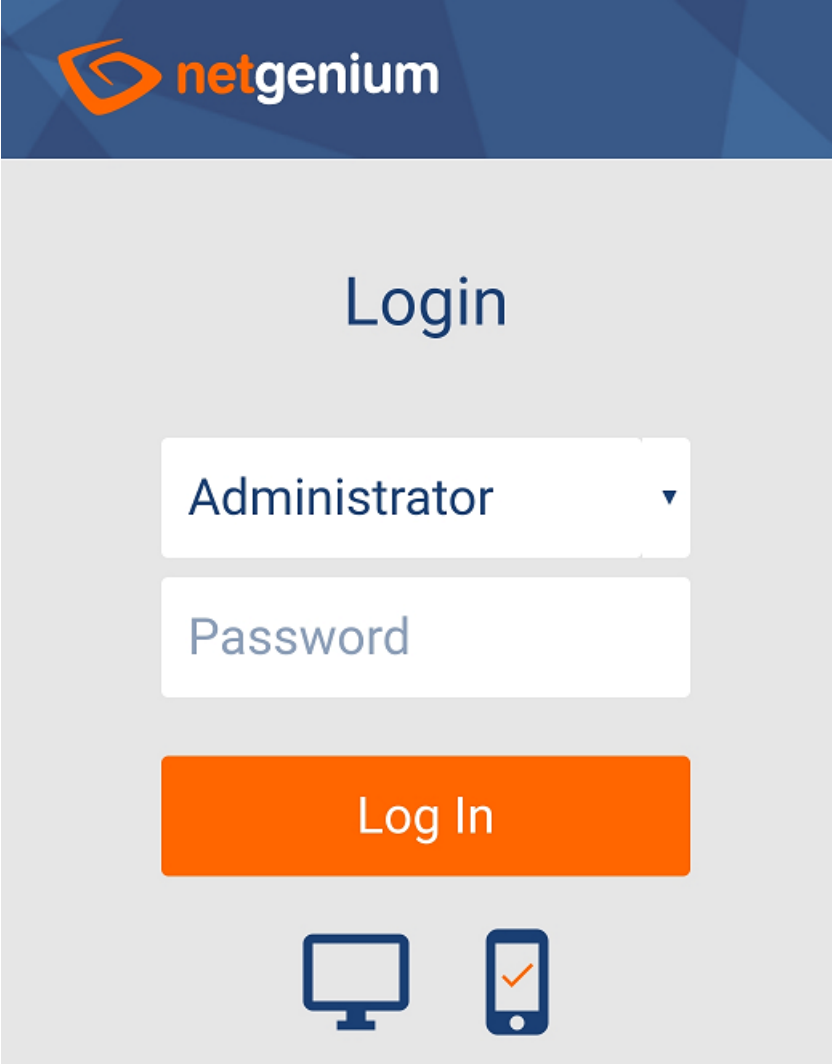

### 1.1.3 After switching to user mode

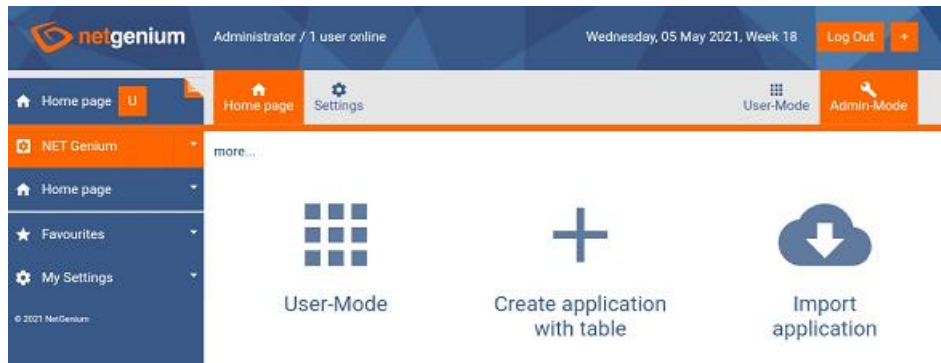

## 1.2 Mobile device

### 1.2.1 Before logging in

- The login window allows you to select the size of the display that affects the display of portlets and edit forms.
  - **Small screen** – A small screen is recommended for mobile phones
    - Portlets appear in a single column below each other, regardless of whether they are for the first, second, or third column of portlets.
    - Edit forms do not use snapping controls side by side, and all controls appear below each other in a single column
  - **Big screen** – Big screen is recommended for high resolution tablets
    - Portlets and edit forms are displayed identically as on a personal computer

### 1.2.2 After logging in to administrator mode

- Administrator mode is displayed on the mobile device in the same way as on a personal computer.
- The administrator mode control area consists of a title bar, a navigation area, and a main window.

## 3 Navigation area

### 3.1 Personal computer

3.1.1 A link to set favorites, portlets, and change the password of the currently logged in user

### 3.1.2 Link to add the currently displayed view page to your favorites

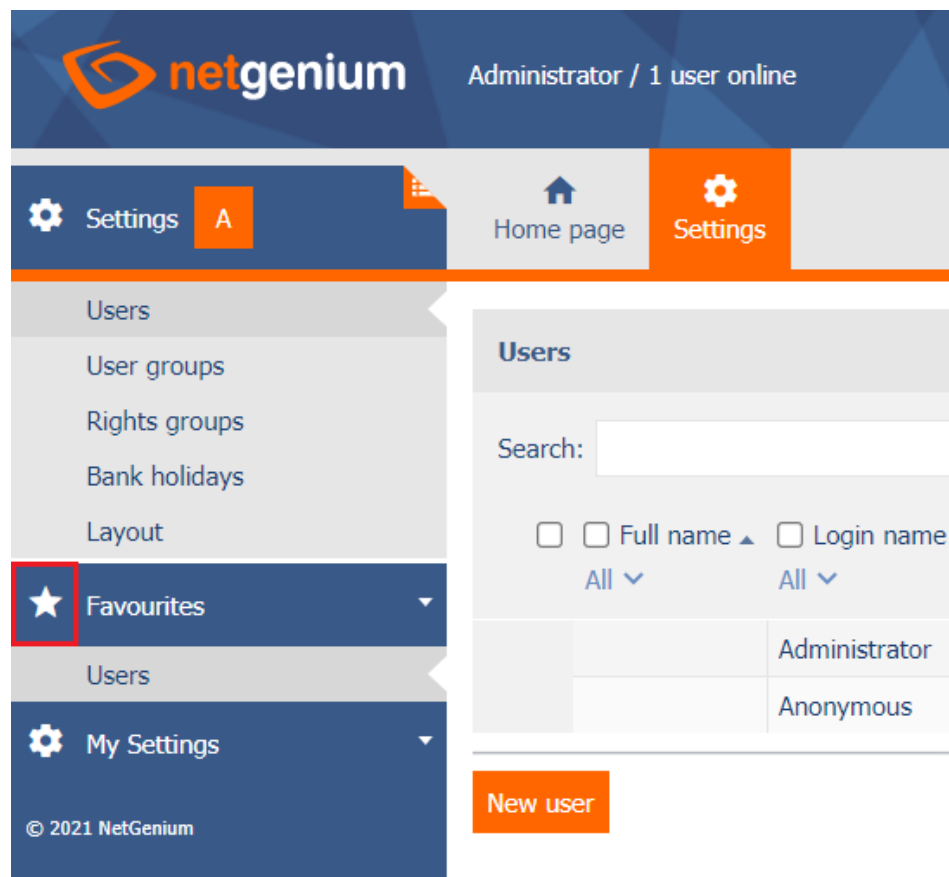

The screenshot shows the NetGenium control area interface. The top header displays the NetGenium logo and the text "Administrator / 1 user online". Below the header is a navigation bar with "Settings" (highlighted with an orange 'A' badge), "Home page", and "Settings" (with a gear icon). A left sidebar menu is open, showing options like "Users", "User groups", "Rights groups", "Bank holidays", "Layout", "My Settings" (with a gear icon), "Add to Favourites" (highlighted with a red box), "Favourites...", "Portlets...", and "Change password...". The main content area displays the "Users" section with a search bar and filters for "Full name" and "Login name". A table lists users: "Administrator" and "Anonymous". An orange "New user" button is at the bottom left of the main content area. The footer shows "© 2021 NetGenium".

### 3.1.3 Link to remove the preview page from your favorites

The screenshot shows the NetGenium control area interface. The top header displays the NetGenium logo and the text "Administrator / 1 user online". Below the header is a navigation bar with "Settings" (with a gear icon and a red 'A' badge) and "Home page" (with a house icon). The "Settings" menu is expanded, showing a list of options: "Users", "User groups", "Rights groups", "Bank holidays", "Layout", "Favourites" (highlighted with a red box and a star icon), and "My Settings" (with a gear icon). The "Favourites" menu item has a dropdown arrow. The main content area shows the "Users" section with a search bar and two columns of checkboxes for "Full name" and "Login name", both set to "All". Below this is a table with two rows: "Administrator" and "Anonymous". A "New user" button is located at the bottom left of the main content area.
